

**THE UK'S
SECOND LARGEST
ONSHORE OIL SITE
COMING SOON
TO HORLEY, SURREY**

Climate Emergency Demo

Saturday 26th Oct @ 10:30-13:00

Meet at junction A217 with Horse Hill - <https://tinyurl.com/Jct-A217>

In July 2019, Surrey County Council
declared a climate emergency.....

But in September 2019 they approved plans
**for four more oil wells and 25 years of
production at Horse Hill, near Gatwick.**

To highlight the dangers of more oil drilling in a time of
climate chaos, and the potential link with local
earthquakes, there will be a peaceful demonstration
heading to the drill site with speakers at 12:00

Search '[Horse Hill Climate Emergency Demo](#)' on Facebook or visit
